

# The Only Ones, Oh No

I love ya in da morning  
I love ya late at night  
I could be your lover, babe  
And everything'd be right  
I come home in de evening  
Give ya my money  
All my money  
Oh no, oh oh oh oh oh no

I could be that woman's man  
I love her all the time

But is it real love? Oh no  
Is it harmony? Oh no  
You wanna have a family? Oh no  
Looking for a washing machine? oh no

I love ya in da morning  
I love ya late at night  
I could be your lover, babe  
And everything'd be right  
I come home in de evening  
Give ya my money  
All all all my money  
Oh no, oh no, oh no!

I'm thinking that woman is mad  
I love her all the time

But is it real love? Oh no  
Is it harmony? Oh no  
You wanna have a family? Oh no
