

The Other Ones, In A Dark Room

In a dark room she's thinking
Dark stormclouds
You want it you get it
You don't know how

In a dark room she's thinking
The phone's ringing and she'll do it again
She don't know which way to turn
You won't in the end

I BELIEVE
THERE'S ONLY ONE THING I WANNA KNOW
DID YOUR MOTHER SAY THAT YOU'D GO NOWHERE
YEAH
I BELIEVE THERE'S A BETTER WAY
THERE'S ONLY ONE THING I WANNA KNOW
DID YOUR MOTHER SAY THAT YOU'D GO NOWHERE
YEAH

In a dark room she's thinking
she'll think it out
She knows that you're coming
To work things out

In a dark room she's thinking
You play with fire and you get burned
She don't know which way to turn
Some things she'll never learn

I BELIEVE
THERE'S ONLY ONE THING I WANNA KNOW
DID YOUR MOTHER SAY THAT YOU'D GO NOWHERE
YEAH
I BELIEVE THERE'S A BETTER WAY
THERE'S ONLY ONE THING I WANNA KNOW
'CAUSE YOU'RE NOT ALONE AND

You're thinking I'm thinking
Go nowhere
You got nowhere to go
You got nowhere to go

In a dark room she's thinking
Time is ticking by
Another sign of love, anticipating
Another hopeful try

I BELIEVE THERE'S BEEN BETTER DAYS...
