

The Other Ones, Losing It

You should take the first
Chance to say it to the few
When you're losing it
You gotta let it go

So, it was the first time
You've hidden away in your room
When you're losing it
You gotta let it go

BRIDGE

Take me back to the bright side of the shore
(Take me back to the)
(Bright side of the shore)
Take me back to the 'cause it's where I want to go
(Take me back, oh)

So, it was the first time
You said it out on your own
Mm

BRIDGE

CHORUS

When you're losing it
You gotta let it go
And when you're losing it
You gotta let it show
Ah, when you're losing it
You gotta play it hard
And when you're losing it
Hey, hey, hey, hey

You, for the last time I'll say it
You are alone
