

# The Other Ones, Money And Gold

Beep beep automatic  
Don't stop red light  
Give me all your money and gold

People all the hunger  
Is it any wonder  
We're living in a cannibal stew

Green light stop whoa  
Stop go whoa  
Yes no live in the city

Ring ring call me on the  
Highway I'm living under  
Who got the money and run

Smiling with a phoney  
Acting kinda cloney  
Living on the end of a gun

Green light stop whoa  
Stop go whoa  
Yes no live in the city

HEY HO MONEY AND GOLD WHOA  
HEY HO MONEY AND GOLD WHOAA  
HEY HO MONEY AND GOLD WHOA  
HEY HO MONEY AND GOLD WHOAA

Beep beep automatic  
Don't stop red light  
Give me all your money and gold

People all the thunder  
Is it any wonder  
We're living in a cannibal stew...
