

# The Overtones, Gambling Man

I met you once, I loved you twice  
That's the way this tale begins  
I played my hand, I rolled the dice  
Now I'm paying for my sins  
I got some bad addiction baby  
It's you yeah yeah that's right  
And I feel you taking over me  
Could luck be a lady in here tonight

My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
(Baby I'd lose it all)

Baby  
Oh could you be the queen of hearts  
Or the devil in disguise  
With every move  
I'm blinded by those diamonds in her eyes  
I got some bad addiction baby  
It's you yeah yeah that's right  
And I feel you taking over me  
Could luck be a lady in here tonight

My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all

I'm raptured in your sweet lovin'  
But it feels just like a curse  
(It feels just like a curse)  
You're beneath my skin I start tremblin'  
With this love so dangerous  
Place your bets I want you place your bets  
Why don't you just place your bets on me?

My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
//2x

Yeah yeah yeah  
But for you I would lose it all
