

The Partridge Family, Come On Get Happy

Season 1 Theme

Come on now and meet everybody,
And hear us singing,
There's nothing better than being together,
When we're singing.

Five of us, and mom working all day,
We knew we could help her if our music could pay.
Danny got Rueben to sell our songs,
And it really came together when mom sang along.

Come on down and meet everybody,
And hear us singing,
There's nothing better than being together,
When we're singing, (3X)
