

The Partridge Family, I Got Your Love All Over Me

Ohh, I'm a part of you
Ohh, I'm a part of you

I was the one who said never again
Let's be friends, who needs love anyway
But since I met you I can't forget you without a sound
It came pouring down

(Chorus)
Now I got your love all over me
It's in my heart, it's on my face
I got your love all over me
And I love it, feeling the way that I do

You were the one
Who said you couldn't stay
Didn't you say you had plans of your own
Something got started, we never parted
Yes, I think we slipped
And fell into it

(Chorus)

I'm a part of you
I'm a part of you

(Chorus)
