

The Partridge Family, I Really Want To Know You

INTRO:

I want to look behind the mirror of your eyes
and see the secret world, the world your words disguise
the birthplace of your sighs.
I want to know the pain of all your silent fears
and when you speak of them, the ones that no one hears
I want to taste your tears.

CHORUS:□

I really want to know you
I really want to know you

BREAK: (instrumental verse)

CHORUS

I want to share the dreams you've never shared before
to stand inside your soul, to unlock every door
and darling, even more.
