

# The Partridge Family, I Really Want To Know You

INTRO:

I want to look behind the mirror of your eyes  
and see the secret world, the world your words disguise  
the birthplace of your sighs.  
I want to know the pain of all your silent fears  
and when you speak of them, the ones that no one hears  
I want to taste your tears.

CHORUS: □

I really want to know you  
I really want to know you

BREAK: (instrumental verse)

CHORUS

I want to share the dreams you've never shared before  
to stand inside your soul, to unlock every door  
and darling, even more.
