

# The Partridge Family, It's All In Your Mind

You can be what you feel, life is a ferris wheel, come take a ride  
it's on the inside where you will find it's all in your mind

Listen, listen

You take a friend of mine, he was sad all the time, then he got smart  
He opened his mind and it helped him to find it's all in your mind  
it's all in your mind, it's all in your mind

Listen, listen

It doesn't matter at all who you are or what you need  
Just take a look inside, I'm sure you'll find it's there in your mind  
Baby, it's all in your mind -- baby, it's all in your mind

Who needs money in a land of milk and honey?  
I'll tell you one more time,  
you'll find it in your mind  
Baby, it's all in your mind

Listen, listen

You can be what you feel,  
life isn't really real,  
it's up or down  
get your feet on the ground and maybe  
you'll find it's all in your mind

It's all in your mind,  
it's all in your mind,  
it's all in your mind

It's all in your mind,  
it's all in your mind  
it's all in your mind,  
it's all in your mind
