

The Partridge Family, Looking Through The Eyes

In the eyes of the world
I'm a loser just wasting my time,
I can't make a dime,

In the eyes of the world,
Being born was my first big mistake,
Can't get a break,

But in the eyes of my woman I stand like a hero,
A giant, a man who's as tall as can be,
Any fool can see that she's

Looking through the eyes of love
She's looking through the eyes of love
She's looking through the eyes of love when she looks at me,

In the eyes of the crowd
I'm a do nothing kind of a guy,
Who'll just live and die,

In the eyes of the crowd,
I'm another poor Joe on the street,
Can't get on my feet,

But in the eyes of my woman they're wrong,
I'm a king and a lover strong and as brave as can be,
Any fool can see that she's,

Looking through the eyes of love
She's looking through the eyes of love
She's looking through the eyes of love when she looks at me,

She's makin' me believe someday, someday I'm gonna find a way
To be the man that she can see when she looks at me,
Looking through the eyes of love,
She's looking through the eyes of love
She's looking through the eyes of love
