

# The Partridge Family, Love Is All That I Ever Nee

What did I want, well I just didn't know  
so each day I kept picking up and moving on from town to town  
How did it feel, well it felt so unreal  
to not know where you're gonna be or what you'll see, what will I be  
Then, just when I least expect it, well there she was and I found me  
And one night of holding you told me what I had to see  
Made me want more than me

CHORUS:

Love is all that I ever needed  
It's time I opened up to greet it  
And since she looked at me, that's all it took to see  
Love is all that I needed

Having you here and holding you near  
Well, there's nothing that I'd rather do than be with you, I like what  
you do  
I know what I've seen and there's no in-between  
with you I've got a home and there's no moving on from town to town  
Oh, just when I least expect it, well there she was and I found me  
And one night of holding you showed me what I had to see  
Made me want more than me

CHORUS

REPEAT AND FADE
