

The Partridge Family, Love Must Be The Answer

La la la la la la la la la, la la la la la la,
La la la la la la la la la, la la la la la la,

I don't know but I've been told,
The streets of heaven are paved with gold
Someday I may find out for myself,
So will you. But till that day,
I've got to say (ooh)

Love must be the answer,
I've searched high and low,
I know love must be the answer,
Got it (you) get it (now)
Let me be your guide, get it (ya) got it (now),
Let some love inside

Are you searchin for the key,
Just take my hand and follow me,
Bring along a little love to share,
It'll get you there. Why be lonely,
You'll know only (ooh)

Love must be the answer,
I've searched high and low,
I know love must be the answer,
Got it (you) get it (now)
Let me be your guide, get it (ya) got it (now),
Let some love inside

La la la la la la la la la, love must be the answer,
La la la la la la la la la, love must be the answer,
Love must be the answer,
I've searched high and low,
I know love must be the answer,
Got it (you) get it (now)
Let me be your guide, get it (ya) got it (now),
Let some love inside

La la la la la la la la la, love must be the answer,
La la la la la la la la la, love must be the answer,
La la la la la la la la la, love must be the answer,
La la la la la la la la la, love must be the answer,
La la la la la la la la la, love must be the answer.
