

The Partridge Family, One Night Stand

Every night - a different town - I sing my song
I play and sing - pack my things and move along

A pretty face, another place I never get to know
a one night stand, another show

My guitar - a railroad car - a bus or plane
Chocolate bar - and there you are - the price of fame

If I could do what I want to, I'd stay and never go
a one night stand is all I know

I wish that I could be two people
instead of bein' on my own
I wish that I could be two people
and then I'd never be alone

Photographs of where I've been and all I've done
In this whole world - is there a girl - no, not one

Goodbye, hello - I've got to go - I hope you understand
a one night man is all I am
a one night stand, a one night man.

Doo doo doo...

Goodbye, hello - I've got to go - I hope you understand
a one night man is all I am
a one night stand, a one night man

Doo doo doo...
