

# The Partridge Family, Only A Moment Ago

## INTRO:

Why has the music stopped?  
Where did all the happy people go?  
I know they were there, songs everywhere  
only a moment ago.  
I only blinked my eye; and now the world that I used to know  
is changin' on me; why can't it be  
only a moment ago?

## CHORUS:

Only a moment ago (only a moment ago)  
It was spring and I was singin'  
Only a moment ago  
I could see where the road would lead

and what tomorrow was bringin'

Hey, Mister Dream-Come-True, why did you go and walk out the door  
It all went so fast; why couldn't it last  
only a moment more?

## CHORUS

Why has the music stopped? (Ahh....)  
Where did all the happy people go?  
I know they were there (know they were there)  
Songs everywhere (songs everywhere)  
Only a moment ago  
Why has the music stopped?
