

The Partridge Family, Only A Moment Ago

INTRO:

Why has the music stopped?
Where did all the happy people go?
I know they were there, songs everywhere
only a moment ago.
I only blinked my eye; and now the world that I used to know
is changin' on me; why can't it be
only a moment ago?

CHORUS:

Only a moment ago (only a moment ago)
It was spring and I was singin'
Only a moment ago
I could see where the road would lead

and what tomorrow was bringin'

Hey, Mister Dream-Come-True, why did you go and walk out the door
It all went so fast; why couldn't it last
only a moment more?

CHORUS

Why has the music stopped? (Ahh....)
Where did all the happy people go?
I know they were there (know they were there)
Songs everywhere (songs everywhere)
Only a moment ago
Why has the music stopped?
