

# The Partridge Family, Storybook Love

We've got a storybook love and that's all and that's all,  
A fantasy world where we love one another,  
A storybook love and that's all and that's all,  
A boy and a girl who hardly know each other

But I feel you lookin at me,  
And in your eyes it's plain to see,  
One day soon we both will be much more than friends  
But until then

It's a storybook love  
And that's all and that's all,  
A fantasy world where we love one another,  
A storybook love and that's all and that's all,  
A boy and a girl who hardly know each other

But I already know,  
How much I'm gonna love you so,  
I feel it inside me even though it hasn't happened yet,  
So all we get

Is a storybook love and that's all and that's all,

A fantasy world where we love one another,  
A storybook love and that's all and that's all,  
A boy and a girl who hardly know each other

My imagination starts a racin' when I think of you  
Well it's a fairy tale right now,  
But you could make it all come true

It's a storybook love and that's all and that's all,  
A fantasy world where we love one another,  
A storybook love and that's all and that's all,  
A boy and a girl who hardly know each other

But I feel you're lookin' at me,  
And in your eyes it's plain to see,  
One day we both will be much more than friends,  
But until then

It's a storybook love and that's all and that's all,  
A fantasy world where we love one another,  
A storybook love and that's all and that's all,  
A boy and a girl who hardly know each other.
