

# The Paul Butterfield Blues Band, One More Heart

One more heartache, baby,  
I can't take it now.  
My heart is carrying such a heavy load,  
One more ache would break it.  
Just like a camel,  
With a heavy pack,  
One last straw, they say,  
Broke the camel's back.  
Oh, wo, babe, I can't take it,  
I can't stand it now.  
One more heartache,  
It would turn me right around.  
First you build my hopes up high,  
Then you let me down.  
Like a house that's built of toothpicks,  
Set up on a kitchen chair,  
One last toothpick tore it down,  
The foundation was not able  
Oh, wo, baby, I can't take it,  
I can't stand it now.  
One more heartache,

One more heartache, babe  
I can't take it now.  
My heart is carrying such a heavy load,  
One more ache would break it.  
Just like a camel,  
With a heavy pack,yeah,  
One last straw, they say,  
Broke the camel's back.  
Oh, wo, babe, I can't take it,  
I can't stand it now.  
One more  
Heartache babe□  
One more, now  
Heartache baby  
Without your love,  
Without your love, baby,  
I can't stand it no longer.  
Come on  
Won't you listen to my plea,  
Please baby  
Please baby
