

The Pentangle, No More My Lord

Pentangle
"No More My Lord";

No more, no more
No more, no more
And I'll never turn back no more.

Jesus, He's the one
He's the one I'm looking for
And I'll never turn back no more.

Tell me where, Tell me where
Tell me where he can be found
And I'll never turn back no more.

Down on my knees, down on my knees
Try and love if you please
And I'll never turn back no more.

ooh, ooh,
ooh,
ooh, oh, ooh

No more, no more
No more, no more
And I'll never turn back no more.
