

The Pentangle, Turn Your Money Green

If you'll be my baby, I will turn your green money green
If you'll be my baby, I will turn your green money green
I'll show you more money baby, than Rockefeller ever seen

If you'll be my baby, you can be my boss
I'll stick closer to you than Jesus to the cross
If you'll be my baby, sure can be my boss
I'll stick closer to you baby than Jesus to the cross

If you don't believe I'm sinking, look what a hole I'm in
If you don't believe I love you, look what a fool I been
Baby don't believe I love you? Just look what a fool I been
Don't believe I love you, baby, just look what a fool I been

Baby, if the river was whiskey and I was a duck
I'd dive to the bottom and I never would come up
Baby, if the river was whiskey and I was a duck, duck, duck
I'd dive to the bottom and I never would come up

Please tell me baby, who's been telling you
Who's been telling you everything ol' Furry do?
Please tell me baby who's been telling you
Who's been telling you every thing ol' Furry do?
Baby, somebody been telling you everything ol' Furry do
