

The Perishers, Midnight Skies

Lyn, feels like Im losing you.
My faith is weak when we are far apart.
There is just one thing I can see.
This restless mind and my heavy heart.
Wont you please help me
Over land and sea.
Light up these midnight skies.
Light my way tonight.
Do all you can do
To help me get to you.
I think you've heard me say,
My hands are cold but my hearts on fire.
Fear has always held me down.
Been on my knees, now Im aiming higher.
Wont you please guide me over land and sea.
