

# The Perishers, Nothing Like You And I

We spent some time  
together walking  
Spent some time just talking  
about who we were  
You held my hand so  
very tightly  
And told me what we  
could be dreaming of  
Theres nothing like you and I  
We spent some time  
together drinking  
Spent some time just thinking  
about days of joy  
As our hearts started  
beating faster  
I recalled your laughter  
from long ago  
Theres nothing like you and I  
We spent some time  
together crying  
Spent some time just trying  
to let each other go  
I held your hand so  
very tightly  
And told you what I would be  
dreaming of  
Theres nothing like you and I  
So why do I even try?  
Theres nothing like you and I
