

# The Perishers, On My Way Home

If you feel like getting even I understand  
I just wanna say "Im sorry" things got out of hand  
I only wanted you to like me thats how I am  
Is it harder on your own  
Is it hard to be someone  
Ive heard youre turning into stone  
While Im on my way home  
Im on my way home  
And Ive been for so long  
Im on my way home  
If you feel like youve been cheated thats no surprise  
But there were things back then that I did not realize  
I came to understand that sometimes your feelings lie  
Is it hard to be unknown  
Is it dull to be alone  
Ive heard youre sinking like a stone  
While Im on my way home  
Is it harder on your own  
Is it hard to be someone  
Ive heard youre sinking like a stone  
While Im on my way home
