

# The Pierces, Be Alright

This problem is a decade old.  
My longing has been oversold.  
I've been repaid a thousand fold  
But still I wait for more.

A gentle pull, you bring me down.  
A hazy gloom, my glimmer drowns.  
Hands will ache and hearts will pound  
At my chamber door.

And I just wanna be right  
But I can't stand to see us fight.  
And I don't wanna see you cry  
When I know I am the reason why.  
And I just wanna feel free  
So I can just know you'll be  
So I can just know you'll be  
You'll be alright.

Forgive me, take my back to sleep.  
Cling to me but let me weep.  
A gentle spirit starts to creep.  
Now it's running fast.

And I just wanna be right  
But I can't stand to see us fight.  
And I don't wanna see you cry  
When I know I am the reason why.  
And I just wanna feel free  
So I can just know you'll be  
So I can just know you'll be  
You'll be alright.

Tangled in the hearts of men,  
Pondering my deadly sin.  
Roll me over; breathe me in.  
Live on me for a while.

And I just wanna be right  
But I can't stand to see us fight.  
And I don't wanna see you cry  
When I know I am the reason why.  
And I just wanna feel free  
So I can just know you'll be  
So I can just know you'll be...

And I just wanna be right  
But I can't stand to see us fight.  
And I don't wanna see you cry  
When I know I am the reason why.  
And I just wanna feel free  
So I can just know you'll be  
So I can just know you'll be  
You'll be alright.  
You'll be alright.  
You'll be alright.
