

# The Pigeon Detectives, Everybody Wants Me

I remember when we were young  
Things were easy, we had such fun  
And I know what we talked about  
But let's hope that they don't find out

Cos everybody wants me  
Everybody wants me  
Everybody wants me now

Cos everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you

Take your mind back to rainy days  
We stayed inside and played those games  
But you know what we talked about  
Cos you prayed they would not find out

Cos everybody wants me  
Everybody wants me  
Everybody wants me now

Cos everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you

If you really cared for me  
Then you would take me with you  
If you really cared for me  
Then you would take me with you

If you really cared for me  
If you really cared for me

I remember when we were young  
Things were easy, we had such fun  
And I know what we talked about  
Lets hope that they don't find out

Because everybody wants me  
Everybody wants me  
Everybody wants me now

Cos everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you
