

# The Pigeon Detectives, I'm Always Right

You're trying not to like it,  
But I know that you'll enjoy it,  
When you're gone,  
And everyone that looks at us,  
Is sure who there is something going on.

Well you always say you're right,  
But I know sometimes that you surely must be wrong,  
You're trying not to like it,  
But I know that you'll enjoy it,  
When you're gone.

Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right,  
Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right.

I told you not to push me,  
But you didn't hear a single word I said,  
And everytime I look at you,  
I'm sure that you would rather see me dead.

Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right,  
Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right.

I...

Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right,  
Well I just can't let you get your way tonight,  
But deep down inside you know I'm always right
