

The Pigeon Detectives, You Better Not Look My Way

Well I'm alright
But I'm much right for seeing
If you should come here tonight
Well you better not get in my way
You better not get in my way

Well I don't want the things that you're saying
So if I see you tonight
Well, you better not look my way
You better not look my way

But then I always here us saying...

Come around honey cos I need you tonight
Now I couldn't take anymore
Come around honey but I don't need reminding
I've just been here before

Cos I'm trying... Trying...
I'm so tired of trying
Cos I'm trying... Trying...
I'm so tired of trying

Well I'm alright
But I'm much right for seeing
If you should come here tonight
Well you better not get in my way
You better not get in my way

Well I don't want the things that you're saying
So if I see you tonight
Well, you better not look my way
You better not look my way

But then I always here us saying...

Come around honey cos I need you tonight
Now I couldn't take anymore
Come around honey but I don't need reminding
I've just been here before

Cos I'm trying... Trying...
I'm so tired of trying
Cos I'm trying... Trying...
I'm so tired of trying

Come around honey cos I need you tonight
Now I couldn't take anymore
Come around honey but I don't need reminding
I've just been here before
Come around honey cos I need you tonight
Now I couldn't take anymore

Cos I'm trying... Trying...
I'm so tired of trying
Cos I'm trying... Trying...
I'm so tired of trying

Cos I'm trying... Trying...
I'm so tired of trying
Cos I'm trying... Trying...
I'm so tired of trying
