

The Pink Spiders, Going Steady

Doo wah, doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady";
I said, "Alright, goodnight
Wake me when you change your mind";

'Cause I don't wanna see your bedroom sugar
I'm not looking for love
And she says "I don't wanna be
The girl in your backseat tonight";

Doo wah, doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady";
I said, "Alright, goodnight
Wake me when you change your mind";

What are you doing in that short skirt, sugar?
You can't be lookin' for love
There's no time for fool around
When I'm in another town tomorrow

And it goes
Doo wah, doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady";
I said, "Alright, goodnight
Wake me when you change your mind";

And it goes
Doo wah, doo wah
Things are getting petty
She said, "No more sex
Unless we're going steady";
I said, "Alright, goodnight
Wake me when you change your mind
Wake me when you change your mind
Wake me when you change your mind
Wake me when you change your mind
Wake me when you change your mind";
