

The Poets, Boyfriend #2

Every day you leav me here
All alone, I feel the fear
Oh, girl make your choice
I wanna know, I wanna hear
You said you were my friend
Youd be whit me until the end
You hurt my feelings and made me sad
I asked you why then you ran away
Am I boyfriend #2
How am I supposed to do
Am I still the one for you
Am I, Am I
Am I boyfriend #2
How am I supposed to do
Am I still the one for you
Am I boyfriend #2
Every day its all the same
I dont know why and whos to blame
Its all just killing me
Is this the way it ought to be?
Am I not the only one
Are you just in it for having fun
I wanna know if thats OK
But all you do is ran away
Am I boyfriend #2
How am I supposed to do
Am I still the one for you
Am I, Am I
Am I boyfriend #2
How am I supposed to do
Am I still the one for you
Am I boyfriend #2
