

# The Poets, Let' Go Crazy

LETS GO CRAZY!

(Thomas G:son)

Friday night and Im in love

I cant hide it, fight it, (I) cant be stopped tonight

I want to feel your heartbeat

Oh, baby all that I need

is just to have some fun tonight

CHORUS

Lets go, lets go crazy

Im in love, lets go baby

Lets go, lets go crazy

Im in love, take me on tonight

make me feel alright

Ill do just what you want to

I really mean, I need to have you

Lets go, lets go crazy now

Friday night and youre the one

Come on baby, maybe something starts tonight

You think youll live forever?

Maybe its now or never

Come on, lets have some fun tonight

CHORUS

STICK

Oh, I can see it in your eyes

Baby, forever starts tonight

I want to feel your heartbeat

Oh, baby youre what I need

Come on, lets have some fun tonight

Lets go crazy!
