The Pogues, 5 Green Queens And Jean

I recall the moment Before it slipped away When 5 green queens On a black bin bag Meant all the world to me

And I recall the moment More distant than it seems When 5 green queens On a black bin bag Meant all the world to me

And I recall the moment Much closer than it seems When 5 green queens On a black bin bag Meant all the world to me

And I recall the moment Before it slipped away When 5 green queens On a black bin bag Meant all the world to me

5 green queens and Jean
