

# The Pogues, Four O'Clock In The Morning

4 O'Clock in the morning  
When the ambulance arrived  
4 O'Clock in the morning  
When the ambulance arrived  
The blue lights were flashing  
As they lay my baby down inside

They took her to the hospital  
In the darkest hour of the night  
They took her to the hospital  
In the darkest hour of the night  
It was silent as the grave  
As my baby lay beneath the light

They turned on the gas and cut her open  
She didn't feel no pain  
They turned on the gas and cut her open  
She didn't feel no more pain  
Daylight was breaking  
And down came the rain

Down came the rain  
Down came the rain  
Down came the rain  
Down came the rain
