

# The Police, I Burn For You

Now that I have found you  
In the coolth of your evening smile  
The shade of your parasol  
And your love flows through me  
Though I drink at your pool  
I burn for you  
I burn for you

You and I are lovers  
And nighttime falls around our bed  
In peace we sleep entwined  
And your love flows through me  
Though an ocean soothes me head  
I burn for you  
I burn for you

Stars will fall from dark skies  
As ancient rocks are turning  
Quiet fills the room  
And your love flows through me

Though I lie here so still  
I burn for you  
I burn for you
