

The Polyphonic Spree, Section 9 (Light & Day/Re

Light
And day
Is more than you'll say
'Cause all
My feelings
Are more
Than I can let by
Or not
More than you've got
Just follow the day
Follow the day and reach for the sun

You don't see me fly into the red
One more you're done
Just follow the seasons and find the time
Reach for the bright side
You don't see me fly into the red
One more you're nuts
Just follow the day
Follow the day and reach for the sun

Just follow the day
Follow the day and reach for the sun
You don't see me fly into the red
One more you're done
Just follow the seasons and find the time
Reach for the bright side
You don't see me fly into the red
One more you're nuts
Just follow the day
Follow the day and reach for the sun

Just follow the day
Follow the day and reach for the sun

Just follow the day
Follow the day and reach for the sun
