

The Polyphonic Spree, Section 9 (Light & Day/Re

Light and day
Is more than you'll say
Cause all my feelings
Are more than I can let by
Or not
It's more than you've got
Just follow the day
Follow the day and reach for the sun

You don't see me fly into the red - one more you're done
Just follow the seasons and find the time
Reach for the bright side
You don't see me fly into the red - one more you're nuts
Just follow the day
Follow the day and reach for the sun
Just follow the day
Follow the day and reach for the sun

You don't see me fly into the red one more you're done
Just follow the seasons and find the time
Reach for the bright side
You don't see me fly into the red one more you're nuts
Just follow the day
Follow the day and reach for the sun
Just follow the day
Follow the day and reach for the sun
Just follow the day
Follow the day and reach for the sun
