

# The Polyphonic Spree, Section 9 (Light & Day/Re

Light and day  
Is more than you'll say  
Cause all my feelings  
Are more than I can let by  
Or not  
It's more than you've got  
Just follow the day  
Follow the day and reach for the sun

You don't see me fly into the red - one more you're done  
Just follow the seasons and find the time  
Reach for the bright side  
You don't see me fly into the red - one more you're nuts  
Just follow the day  
Follow the day and reach for the sun  
Just follow the day  
Follow the day and reach for the sun

You don't see me fly into the red one more you're done  
Just follow the seasons and find the time  
Reach for the bright side  
You don't see me fly into the red one more you're nuts  
Just follow the day  
Follow the day and reach for the sun  
Just follow the day  
Follow the day and reach for the sun  
Just follow the day  
Follow the day and reach for the sun
