

# The Pozo-Seco Singers, Look What You've Done

Hey! Look what youve done  
Look what youve done.  
Youve taken away  
Hmmm, mmmmm  
The warm, yellow sun  
The warm yellow sun.  
And left me alone in a world  
A lonely world  
Meant for lovin you, girl!  
How I miss your lovin feelin  
Your sweet kiss, and that lovin feelin  
How I miss, holding you, touching you, having you  
Like it used to be...  
When you loved me.  
Oh baby  
Oh baby.  
Why did you go?  
Why did you go?  
When you knew  
Hmmm, mmmmm  
I needed you so  
I needed you so.  
Gave you my heart and my soul  
Heart and soul!  
You wanted diamonds and gold.  
How I miss
