

# The Presidents of the United States of America, S

You're the one.. you're the sunshine &lt;i&gt;(x2)  
Every time I see you &lt;i&gt;(x2)  
Every time  
You're the one.. you're the sunshine &lt;i&gt;(x2)  
Ooh.....  
And I want to be near you  
And I want to be where you are  
You're a steak and I spear you  
You sell beers and a sparkle star  
Nestled between a worm and rock  
Snuggle it down for sleep time  
Long lazy afternoon spent shearing poodles in the park  
You're the one.. you're the sunshine &lt;i&gt;(x2)  
Every time I see you &lt;i&gt;(x2)  
Every time  
You're the one.. you're the sunshine &lt;i&gt;(x2)  
Ooh.....  
And I want to be near you  
And I let you to dance on my feet  
If I squint I can hear you  
Playing all day long in the street  
I look for your racecar  
Out on the highway  
Then you go zooming by me  
In your special zooming lane  
You're the one.. you're the sunshine &lt;i&gt;(x2)  
Every time I see you &lt;i&gt;(x2)  
Every time  
You're the one.. you're the sunshine &lt;i&gt;(x2)  
Ooh.....  
You're the one
