

The Pretenders, Kid

Kid

What changed your mood?

You got all sad

So I feel sad too

I think I know

some things

you never outgrow

You think it's wrong

I can tell you do

How can I explain

When you don't want me to?

Kid

My only kid

You look so small

You've gone so quiet

I know you know

What I'm about

I won't deny it

But you forget

You don't understand

You've turned your head

You've dropped my hand

All my sorrows

All my blues

All my sorrows

Shut the light

Go away

Full of grace

You cover your face

Kid

Precious kid

Your eyes are blue

But you won't cry I know

Angry tears

Are too dear

You won't let them go
