

The Proclaimers, Guess Who Won't Beg

Guess who wont beg, if you walk out
Guess who wont worry, or have a doubt
Guess who can sleep, wont walk the floor
Guess wholl be laughing as you slam the door
Guess who wont cry, guess who wont moan
Guess who wont beg, guess who wont beg

I thought I loved you, one sunny day
But your personality got in the way
I couldnt stand another evening of your moaning face
So I hope youre leaving
Guess who wont whine, guess who wont groan
Guess who wont beg, guess who wont beg

Well, I tried to treat you right
When you said you wanted love
I acted like a tiger and I acted like a dove
And you say you havent made up
You claim you havent made up your mind
But I know you want to leave me
So why dont you just leave me behind
Guess who wont beg

Guess who wont plead, or make a fuss
To try and bother to try and save us
Wont even lie, wont even hussle
Wont lift a finger, or move a mussle
Wont say hes wrong, walk by the door
Guess who wont beg, anymore, woah

Yeah

Guess who wont beg, if you walk out
Guess who wont worry, or have a doubt
Guess who can sleep, wont walk the floor
Guess wholl be laughing as you slam the door
Guess who wont cry, guess who wont moan
Guess who wont beg, guess who wont beg

I thought I loved you, one sunny day
But your personality got in the way
I couldnt stand another evening of your moaning face
So I hope youre leaving
Guess who wont whine, guess who wont groan
Guess who wont beg, guess who wont beg

Guess who wont beg
Guess, guess who wont beg
Guess who wont beg (x 3)
