

# The Prodigy, Hyperspeed (G-Force Part 2)

Moving out nine times the speed of sound  
Target... Target... Target...  
Roger that scan I've got a contact and locked on  
Something's going on at the jack slinger  
Target... Target... Target...  
Target... Target... Target...

Let's jet out, we'll cruise at hyperspeed  
I got the beat, I got the beat  
And that's all we need, check it out!

Hyper, hyp-, hyper, hyper (x3)

Hyp-, hyp-, hyp-, hyper, hyper, hyper, hyper (x4)
