

The Prodigy, I Get Wrecked

(Section 2 at 4:52)

I got more rhymes than Madonna gets dicked!

That's right boys, you are now jammin' to the sounds of the Boogie Down!

Hit 'em like this, hooooo

Yeah, yeah, yeah, can I get a yes (yes)

Can I get a motherfuckin' yes (yes)

Do I get wreck and get respect (yes)

Lyrically I can get wreck (yes), okay

Well can I get a ho (ho)

Can I get motherfuckin' ho (ho)

Do I get wreck at any show (ho)

Lyrically I got the flow (ho), say here we go

Coming from the butcher shop

Fuck with KRS and the Dog and get chopped

Chopped, say stopped, hah think stopped

Stop listen to the hip-hop while others slip-slop

Till they hit the tip-top now it's time to get props

Wack MC's I just tax

I'll eat tracks, shit it out with Ex-Lax

Bitch ass niggaz step aside

Tenderoni rappers, means your homicide

Toyin' non-believers, here's the menace side

Genocide, come inside, you're goin' on a murder ride

Peace to all the true hip-hop followers out there!
