The Prodigy, (Unknown)

Life is so strange When you don't know How can you tell Where you're going to You can't be sure Of any situation Something can change Then you won't know

You ask yourself Where do we go from here This seems so altered here Just as far beyond as I can see I still don't know what this all means to me

I have nowhere to go I don't know what to do And I don't even know the time of day I guess it doesn't matter anyway

Life is so strange Destination unknown When you don't know Your destination Something can change It's unknown Then you won't know Destination unknown

Life is so strange Destination unknown When you don't know Your destination Something can change It's unknown Then you won't know Destination unknown

When will my time come Has it all been said and done I know I'll leave when it's my time to go Till then I carry on with what I know

Life is so strange Destination unknown When you don't know Your destination Something can change It's unknown Then you won't know Destination unknown

Life is so strange Destination unknown When you don't know Your destination Something can change It's unknown Then you won't know Destination unknown

Life is so strange
