

The Project Hate MCMXCIX, Hate

Kill, You all shall die
You all shall suffer
before I turn...
...insane, and turn Satan
that You create
upon those who deserve My...
...demons, in legions
to clear the way
A hellish crusade to...
...burn, the angels burn
while crosses turn
I remain... sane
Let heaven weep
It's the mourning of all souls
Now burn...

in hell forever more
Let heaven weep
It's the mourning of all souls
Now burn...
in hell forever more
Die, You all shall die
and by My hatred
You all will suffer...
...the same, ways I suffered
but instead
of lies I give You...
...demons, inside Your head

To show You pain
Prepare for the ultimate...
...death, and hear Me laugh
Satisfied
As You die
Let heaven weep
It's the mourning of all souls
Now burn...
in hell forever more
Let heaven weep
It's the mourning of all souls
Now burn...

Nothing saves You when all the hatred's burning like a torch
Time to face it, Your time on earth can be no more
Nothing saves You when all the hatred's burning like a torch
Time to face it, no time to waste
Mourning for all souls

Hate....

Hate Me as I Hate You Hate Me as I Hate You Hate Me as I Hate You Hate Me as I Hate You Hate

Nothing saves You when all the hatred's burning like a torch
Time to face it, Your time on earth can be no more
Nothing saves You when all the hatred's burning like a torch
Time to face it, no time to waste
Mourning for all souls
