

You all shall suffer  
before I turn...  
...insane, and turn My Hate  
that You create  
upon those who deserve My...  
...demons, in legions  
to clear the way  
A hellish crusade to...  
...burn, the angels burn  
while crosses turn  
I remain... sane  
Die, You all shall die  
And by My hatred  
You all will suffer...  
...the same, the ways I suffered  
indoctrination, but instead  
of lies I give You...  
...demons, inside Your head  
to show You pain  
Prepare for the ultimate...  
...death, and hear Me laugh  
Satisfied  
As You die
