

The Promise Drive, Goodnight Princess

There are so many things I want to tell you
But you're sleeping, against me.
I think of all the things you said...all the painful words
As I listen to you breathe.
So here we are I hope that everything
Turns out exactly how you planned it.
I never meant to hurt you.
I never meant to make you cry,
And now I'm sorry
So goodnight princess.
It takes two to stay together
But only one of you
To tear it apart.
Trying hard to fit in
Ignoring all your friends that really cared.
Goodnight, princess. Goodnight my princess.
