

The Promise Drive, My Favorite Halloween

Caution this bridge may ice in winter
I'll dig a hole to the center of the earth and throw myself in
It's a long ride back from Montgomery
and I swear the moon has been following me
tonight
Two hours from my destination this doesn't feel quite right
tonight
a party where no one knows me and no one knows about her
why do i try so hard to hold it all inside my heart
on the way home I think about turning back to an upstairs balcony
in the back of an apartment
I don't want to leave this place where I'll forget her
No one knows about her
