

# The Psychedelic Furs, Fall

you will have a dress of white  
you will have a ring of gold  
you will have a paper snow  
we'll fall  
see the wall  
the wall is black  
we will have a heart attack  
we will be alone and  
we'll fall we'll fall we'll fall  
fall in love like sailors do  
tell your lover you'll be true  
sail upon the stupid sea  
we'll fall  
you will have a sheet of red  
paint the trees, the trees are dead  
we will be alone and  
we'll fall we'll fall we'll fall we'll fall  
marry me and be my wife  
you can have me all your life  
our love will never end  
parties for our stupid friends  
are the children really home?  
we will lie upon the lawn  
needles on the beach at goa  
we will have another flower  
we will be a part of structure  
you will have a face of structure  
we will make ourselves a scene  
we will live our stupid dream  
i am you and you are me  
tie me down i will be free  
our love will never end  
parties for our stupid friends  
marry me and be my wife  
you can have me all your life  
our love will never end  
parties for our stupid friends  
are the children really home?  
we will lie upon the lawn  
needles on the beach at goa  
we will have another flower  
we will be a part of structure  
you will have a face of structure  
we will make ourselves a scene  
we will live our stupid dream  
i am you and you are me  
tie me down i will be free  
our love will have no end
