## The Psychedelic Furs, Into You Like A Train

no kind of love no kind of love i don't wanna make no scene lovers come and go or make you mrs. anyone or make you mr. me i'm into you like a train into you like a train into you like a train yeah fall in love yeah fall in love i don't wanna tape you down or shack you up with me or put you where the flowers go or get into your mind i'm into you like a train into you like a train into you like a train now fall in love yeah fall in love if you believe that anyone like me within a song is outside it all then you are all so wrong if you believe that anyone like me within a song would try and change it all then you have been put on i'm into you like a train into you like a train into you like a train yeah fall in love yeah fall in love no kind of love no kind of love i don't wanna wear no side or complicate it all or celebrate your prettiness and kick you in it all i'm into you like a train into you like a train into you like a train yeah fall in love yeah fall in love if you believe that anyone like me within a song would try and change it all then you have been put on so wrong into you like a train
