

# The Psychedelic Furs, Only You And I

yeah i fell in love  
like all good dreamers do  
finally in anger  
i gave it all to you  
i never shouted it  
like we do in school  
and knee-jerk negativity  
just never got me through  
and ma she said so carefully  
you don't get a vote  
this is not a five and ten  
this is not a joke she said  
it's only you and only i  
bang bang  
bye bye  
now i got a love  
to lose myself inside  
i don't need to find a face  
that i can hide behind  
i never shouted it  
like we do in school  
bleed your negativity  
just never got me through  
but ma she said so carefully  
you don't get a vote  
this is not a five and ten  
this is not a joke  
she said  
it's only you and only i  
bang bang  
bye bye  
lose yourself lose yourself  
lose yourself lose yourself
